Vincent Pol University in Lublin

The Vincent Pol University in Lublin acts on the basis of the decision of The Ministry of Science and Higher Education from 12 July, 2000 (DNS-1-0145-396/Eko/2000) allowing to start the activity. The Vincent Pol University in Lublin is registered at The Ministry of Science and Higher Education under the ordinal number 186.

Our University has been created for people who want to achieve their professional aims and develop their passions. We offer both full-time and part-time bachelor's, master's and postgraduate studies. Our academic staff consists of highly qualified teachers.

The University has a modern building with a lecture hall which can hold up to 200 people. We also have a wide range of lecture rooms adapted to the needs of different classes such as physiotherapy, kinesiotherapy, cosmetology, biomechanics, massage,

chemical lab, tourism, hotel industry, gastronomy, geography and IT. There are also recreation rooms in the building – gyms, rooms for aerobics classes and other physical education activities. Our students can use the indoor swimming pool and sport facilities. The University has a computer network based on modern systems with satellite and radio access to the Internet. For maximum comfort and security some rooms are equipped with air-conditioning and CCTV.

In 2010 the University founded the Academic Physiotherapy Centre, a modern clinic, to be used not only by our physiotherapy students but also Lublin citizens. The Academic Physiotherapy Centre has a contract with the Polish National Health System. The centre has the latest equipment for diagnostics and rehabilitation. It is also a place where students do their clinical practice and where scientific research can be conducted.

Students can use the library resources (about 22 000 volumes). In the building of our University you can also find a well-equipped gym, recreation rooms and a cafeteria. There is a spacious car park with a capacity of 120 vehicles, which is a real convenience.

The Vincent Pol University is situated near the main city streets, which makes it easy for the students to commute using both public transport and cars. Our students have the possibility to study and rest in – „Zielona Szkoła” – The University's Education and Recreational Center in Piotrawin next to the Vistula River. It is located about 60 kilometers from Lublin and about 15 kilometers from Kazimierz Dolny in the area of Wrzelowiecki Landscape Park. The Center can accommodate up to 50 people in comfortable conditions.
