# University of Economics in Katowice

## NEW IDEAS, OLD TRADITIONS

University of Economics in Katowice was founded in 1937 and is the biggest and oldest business school in the region, one of the top universities in Poland. Each year over 11 000 Polish and international students follow our degree programmes at the Bachelor, Master, Doctoral and Post-diploma levels. Our students and graduates mature in a thriving metropolis engage in the development of the region in the course of their professional lives: managing companies, organizing socioeconomics life, taking part in a wide range of business activities.

## REGIONAL WITH INTERNATIONAL FOCUS

The heart of the University beats in Katowice, the capital of Silesia, the second-largest academic area in Poland. Here, centuries-old industrial traditions merge with a modern economy and dynamically developing culture; and we at the University of Economics in Katowice are a part of these changes every day. At the crossroads of major European transport routes, in the heartland of Central and Eastern Europe, we teach contemporary economics, finance, ICT, management, business and public administration. At the same time, our strategy implements internationalization as one of the most prioritized and dynamic activities of the University.

## KEY TO YOUR CAREER

Our educational offer and lifelong learning programmes attract students from all over the world and from every generation. Due to the balance between academic strength and soft skills in our courses as well as professional career services the employability of our graduates is very high. We are proud to create today's managers for tomorrow's challenges.
