## About the University

The Wrocław University of Economics is a state university founded in 1947. It has over a 65 years of history and a tradition of high quality education. Today, the Wrocław University of Economics is ranked among the top economic schools of higher education in Poland, an important center of education, science, and research. Its activities are aimed at maintaining and strengthening the position of the University on regional, national, European, and international levels.

Altogether it employs 780 academic teachers including 126 professors. There is strong interest in economic studies. In the academic year 2015/2016 the University has about 12 600 students.

**There are four faculties at the Wrocław University of Economics:**

- Faculty of Economic Sciences,
- Faculty of Management, Information Systems and Finance,
- Faculty of Engineering and Economics,

- Faculty of Economy, Management and Tourism (faculty located in Jelenia Góra).

The students can choose from 60 specializations within the range of courses offered by the faculties. The educational system at the WUE follows the requirements of the Bologna declaration. We apply the European Credit Transfer System (ECTS) and issue Diploma Supplements. The exchange of academic staff and students is carried out under the Erasmus and Leonardo da Vinci programmes. In the academic year 2015/2016, there are more than 100 courses offered in foreign languages to Erasmus students. The WUE has 205 cooperation agreements with foreign partners. The courses organized by the University of Economics, which are divided into semesters, are run in two level systems and can be attended as full-time day courses, part-time weekend courses. The University is authorized to run an Executive MBA Program for graduates, and is available in a Polish or English language version, and is organized in conjunction with universities from Belgium, France, Ireland.

Curricula realized in the University include foundation subjects, and general and specialist subjects, and ensure full compliance with other European universities curricula. This enables our students to participate in academic exchange, and to study abroad as a part of their course. Foreign graduates are accepted here to complete their bachelor, master, and doctoral degrees.

The University offers free Polish language courses for the exchange students. The courses are provided during each semester and have two levels for the student to choose: beginners and intermediate. The course content will also help students to get acquainted with Polish culture.

The University possesses 31 premises for teaching, research, administration, and social purposes. Classes are performed in lecture rooms and exercise rooms, and in computer, chemical, and technological laboratories. Rooms are equipped with modern audio-visual aids. Some rooms possess facilities enabling direct tele-transmissions and tele-conferencing activities.
