Vistula University

Vistula University, one of the first and most experienced private universities in Poland, was established in 1992. Vistula University has dedicated itself to creating an excellent practical and modern business education program. Located in one of Europe's most fascinating and fastest growing capital cities, it has a unique international atmosphere with students coming from 77 different countries and five continents. From 2014 Vistula University cooperates with London School of Economics and now our students can get double degree from Vistula and this prestigious University of London, one of the best universities worldwide.

In 2014 Vistula got 1st place in internationalisation within all private higher institutions of Poland. It is also one of TOP-5 best private universities in Poland according to Perspektywy ranking 2014. Vistula University has academic programs in both Polish and English languages. Currently we offer studies in 26 academic fields that comprise BA, BSc, MA and MSc

programs, MBA, PhD in Economics and more than 30 postgraduate programs.

A variety of services are available for international students including preparatory intensive language courses, sightseeing tours, career planning and internships, business incubator and information bureau, cultural events, sport and scientific clubs, adaptation programs, bureaucratic and lodging assistance; all provided within our beautiful campus. We give opportunity for scholarships and tuition fee waivers to talented students. Only a mere 50 meters distance from the subway, our campus is easily accessible from anywhere in the city. Within a 25 000 m² indoor-area there are 6 computer labs, 8 auditoriums, 60 lecture halls, a rich library, a fashionable cafeteria, Olympic sports hall and gyms. Outdoor areas contain tennis courts, underground parking and general recreation facilities. There is free on-site medical service for all students and faculty.
